Brooks Rehabilitation College of Healthcare Sciences
2019 2020 Clinical Directors and Coordinators Committee

The purpose of the Brooks Rehabilitation College of Healthcare Sciences (BRCHS) Clinical Directors and Coordinators Committee is to create collaboration and facilitate coordinated policies and procedures among clinical programs across BRCHS as appropriate. The committee will meet at minimum of once per semester to discuss clinical issues across programs (i.e. communication with preceptors/community partners, developing and maintaining relationships with community partners, and how to address student issues in the clinical setting), clinical requirements, and how clinical programs are operating within the larger program curricula.

The committee shall be comprised of a clinical coordinator or clinical director from each of the BRCHS programs.
