PUBLICATIONS

Staging Ellis (in process)

Uses the lens of Søren Kierkegaard's erotic, esthetic, and ethical stages in *Either/Or* to examine the moral and psychological implications of lawyers who abide by rules of professional conduct and codes of civility while practicing law as a tactical exercise. The publication versions will be presented at Northeastern University School of Law Junior Scholars Conference (February 2025) and SEALS New Scholars Program (July 2025).

Justice in the Cards (in process)

Examines the representational strategies of images of "Justice" found on the corresponding card of tarot decks from the fifteenth century to the present.
