***Full-time, Assistant Clinical Professor Nursing and Simulation, August 2016 to August 2017**

Faculty position for the school of nursing with 50% of load dedicated to the Simulation lab. Role included set-ups for Simulation, use of high fidelity mannequins, and development of simulation experiences. Served as a support for faculty simulation for courses. Participated in new nurse residency programs that are partially completed in the lab with community partners.

***Full-time Faculty, Assistant Professor Nursing VBSN, January 2014 to August 2016**

Full time faculty for the school of nursing. Primary focus was in the areas of psychiatric / mental health and community nursing. Also taught at the sophomore level in the foundations course. Active in the classroom and in the clinical sites. This was grant supported position from a HRSA grant for veterans.

***Adjunct Faculty, School of Nursing, January 2013 to January 2014**

Adjunct clinical faculty for the school of nursing during psychiatric and mental health nursing rotations in the clinical sites. Led pre/post-conference with students at the clinical sites. Assigned students to appropriate areas to enhance the learning experience in the psychiatric setting. Served as a resource for students and collaborate with the nursing staff and ancillary personnel at the clinical sites.

***Nurse Educator Practicum Experience, May through December 2012**

Completed a 200-hour practicum experience at Jacksonville University. My preceptor was a tenured professor of nursing who holds a PhD and ARNP license. The experience included observation and active participation teaching in the classroom and clinical sites. Completed observation experiences in multiple committees, faculty meetings, faculty candidate interviews, and student advising.

Virginia College – Jacksonville, FL

***Adjunct Faculty, Allied Health, 2012 to 2013**

Adjunct faculty in the Allied Health department, teaching courses as assigned. The students were in the certificate or degree seeking medical assistant program. Developed lesson plans according to curriculum, created a variety of learning experiences, develop exams and quizzes, and was responsible to post attendance and grades. Created power points for lectures or utilize those from faculty resources. Assist students as necessary and participate in faculty meetings and in-service education programs.

Baptist Health – Jacksonville, FL

***Psychology Practicum Experience, Summer 2010**

A 250-hour practicum experience was completed in behavioral health under the supervision of an LMHC. The clinical experience included observance of group and individual therapy, family therapy, and clinical team meetings. Participated in discharge planning needs of patients. Revised resource book for the NE Florida area.

***Child & Adolescent Behavioral Health, 2003 – 2016**

As Assistant Nurse Manager, responsibility included the daily operation of department, supervision of all staff disciplines within the department. Communicate closely with families, patients, interdisciplinary team members and outpatient providers. Responsible for performance appraisals, budgets, and schedules. Preceptor to new team members. Participation in a variety of facility and system committees. Magnet site coordinator for the pediatric facility from 2004 until January 2012.

***Pediatric Operating Room Staff Nurse, 2000 – 2003**

Provided peri-operative care to pediatric patients primarily in orthopedic and cardiovascular services. Oriented new staff. Performed circulating and scrubbing duties as assigned.

***Utilization Review Nurse for Psychiatry, 1997 – 2000**

Conducted chart reviews for continued hospital stays, communicated with insurance providers, and collaborated with physicians and staff. Maintained medical records per policy.

***Emergency Department Assistant Nurse Manager, 1996 – 1997**

Level II center, directing care for adult emergency patients. Participated in performance appraisal and scheduling. Collaborated with emergency medical services, fire department medics, and Life Flight.

Morton Plant – Clearwater, FL

***Emergency Department Charge Nurse, 1993– 1996**
Level II cent(t)-u946el I
