A disabled veteran, Reverend Jeffrey L. Smith, M.Div., CFRM served as an aviation anti-submarine warfare operator with VS 21, NAS North Island, San Diego, CA 1968-1971. After ordination he served as a Chaplain in the Army Reserve and Army National Guard, before going on active duty as an Army Chaplain at Ft. Benning, GA., 1986-1989. Reverend Jeffrey Smith earned his B.A. from Scarritt College, Nashville, TN. Rev. Smith also attended graduate school at Vanderbilt University before receiving his Masters of Divinity from Lexington Theological Seminary, KY.

Trained in Non-Profit Fundraising Management and Mediation, Rev. Smith began to study Moral Injury with reading and seminars presented by Soul Repair Center of the Brite Divinity School and by the Quaker House of Fayetteville, NC. Rev. Smith, along with others, spent several months attempting to design and begin a Moral Injury Support Group consisting of Veterans and persons who serve the veteran population in Jacksonville using a twelve step Moral Development Group model developed at the Brite Divinity School in Ft. Worth, TX. The moral injury group failed to attract sufficient number of veterans to participate and so it ended.

Rev. Smith continues to serve on the Executive Committee of and trainer for Paws4Vets PTS/MTS Centers, Wilmington, NC and speaks to groups about the reality of Moral Injury among our veteran population.
