SUGGESTED DOCUMENTS

Cover Letter:

This document is for the Selection Committee and should highlight your most important and great candidate for this honor. You might include any awards, certifications, or other forms of recognition that underscore why you deserve to receive this award. Please list your leadership roles, academic/professional successes, campus commitments, and contributions to the community.

Resume / CV:

Provide your most recent Resume / CV for review. This provides a robust and to-the-point listing of all your professionally relevant achievements and beyond.

Supporting Materials:

This is a place to provide any additional information that supports your nomination. This could include letters of recommendation, awards, or other forms of recognition.

Notes from the Selection Committee, Deans, Collaborative work, and/or other staff that you would like to highlight.
